084/18 To consider the co-option of Mr O Dorgan to serve on Cleator Moor South.

Mr Dorgan outlined his wish to support improvements in the town and to support youth activities and participation. Members resolved to Co-opt Mr O Dorgan to serve Cleator Moor South Ward. Councillor Dorgan was welcomed.

085/18 Public Participation/Elected Officer Participation.

Councillor Banks informed members he had attended the Copeland Open for Business Conference which was held recently. He stated that it was very uplifting to hear such positivity in the Borough.

Councillor Morgan gave an overview of traffic speeds/volumes around the Borough. An example being the vehicle figures passing through Keekle on a daily basis were just 3-4000 less than the daily figures on the A595. The figures are indicating that the A595 is not being used as it should be. These surveys will be used to highlight the problem to Highways England and to help put pressure on for Highways England to address the problems. The cost of wear and tear on the minor roads due to the increase in traffic is born by Cumbria County Council.

The County Council community grants system has been reviewed and a number of priorities identified, including the not in education, employment and training (NEET) sector, enabling IT access, public health priorities, food poverty and alcohol consumption. Councillor Morgan stated Cumbria County Council is delivering services for £36 per population head compared to £179 in the City of London, £131 in the Borough of Chelsea and £133 in the Borough of Westminster. This comparison highlights the inequality and difficulty Cumbria County Council is facing.

Councillor Morgan advised that the County were working to secure a new lease for the Wath Brow and Ennerdale Anglers for use of Longlands Lake and open access for the public during this financial year.

Councillor Lamb informed members that residents in Red Beck Park appeared to be finding individual solutions to the flooding problem. He agreed to keep members informed of progress with this issue.

Councillor Riley advised that discussion was ongoing with Sellafield Ltd to use the Kangol site as a park and ride facility.

086/18 To review Planning Applications and to discuss other planning matters
