Summer Reading Challenge 2019

# REACTIONEERS Club

Cleator Moor Library  
Tuesday 13<sup>th</sup> August, 2-4pm

An engineering space challenge – what goes up must come down!

Join us for a storytelling session about the adventures of Astromouse and to celebrate the 50th anniversary of the Apollo 11 moon landing. We challenge you to design and make a rocket and send your own Astromouse into space – are you up for the challenge?

It will be an opportunity to look at forces - air pressure, air resistance and gravity in a fun way.

Ages 4-11 years, booking essential to book your FREE place contact
