

Household Waste Recycling Centre update

For more information and updates visit:
[cumbria.gov.uk/planning-environment/
waste-management/default.asp](http://cumbria.gov.uk/planning-environment/waste-management/default.asp)

Our Household Waste Recycling Centres are open normal hours (times vary depending on site). We are currently reviewing Government guidance re changes to Covid-19 regulations changing from 19th July 2021.

In the meantime we thank you for your patience and ask that you follow the guidelines below.

We all need to play our part in stopping coronavirus.

Please follow the below guidelines when visiting:

- staff cannot physically assist – please bring someone with you to lift heavy items
- follow social distancing measures when on site
- plan your visit, weekdays are less busy
- sort waste and recycling before your visit to minimise time on site
- expect queues
- wash your hands before and after your visit

Please note that the booking system at our sites at Bousteads Grassing in Carlisle, and Grange-Over-Sands remain in place – please book a slot in advance if you wish to visit either of these sites.
