

CLEATOR MOOR TOWN COUNCIL

GRANT FUNDING 2020/21

Cleator Moor Town Council allocates a sum of money each year to provide grant funding to groups and organisations within the town.

This can be given to community groups and organisations to support community projects and initiatives. Grants can also be awarded to any charitable body providing a public service, anywhere in the United Kingdom.

Grants can be given to individuals representing the area at an event. Applications should be submitted by the Club the individual is representing. This funding is confined to those living within the parish boundaries of Cleator Moor. Please contact the Town Council for more information - 01946 810242.

Individual applicants who do not represent a club may apply, and will be considered on merit.

The donations to Macmillan Cancer support and Hospice at Home were made on behalf of Gary McKee

This financial year 2020/21, £13721.00 of grant funding was issued:
