Clerk Report 14th September 2021

CBC waste managers have been asked again about the bin that has been removed from the bus stop near Montreal school and whether it is a temporary situation, the area is becoming a litter blackspot with litter being left where the bin used to be. To follow up.

The Police have asked that members and the public ensure that all incidents including any issues of Anti-Social behaviour are reported as the number of reports has dropped in recent weeks which does not match with the known incidents. Acknowledgement was made to the ongoing difficulties with 101 calls and it was suggested that where possible 101 email was used for reports.

Following an initial approach last year, the Rotary club have been in contact again regarding possible planting of flowers on areas of the cycle path and some tree planting in any identified suitable areas in town. A meeting is to be set up to discuss this when the rotary members are available in the next few weeks.

Fly tipping has been reported and is being monitored again in several areas, specifically the rear of Earl st beside the Methodist church.

Damage had been caused to the play surface at Jacktrees rd play park, this has now been repaired by CBC open spaces. The Police have again suggested CCTV be installed and are to pass these comments on to CBC, an extra bin has been placed outside the park and the plan to replace the two inside is ongoing.

A replacement bin with cover has been sourced from CBC to replace the current open top one at Prospect row play park, both bins (Town Council and CBC) are now to be emptied weekly.

United utilities were contacted again regarding the missing manhole cover at Kinniside place and this has now been replaced.

A local resident has expressed an interest in becoming a councillor and the necessary forms will be sent out to progress this.

532/21 To note receipt of correspondence.
