Reviewed and approved 14th August 2018

Cleator Moor Town Council recognises its responsibility to comply with the Data Protection Act 1998 and the General Data Protection Regulation. The act and regulation regulate the use of personal data, this does not have to be sensitive data, it can be as little as a name and address.

THE DATA PROTECTION ACT:

The Data Protection Act 1998 sets out high standards for the handling of personal information and protecting individuals' rights for privacy. It also regulates how information can be collected, handled and used. The Data Protection Act applies to anyone holding information about people electronically or on paper.

THE GENERAL DATA PROTECTION REGULATION:

The General Data Protection Regulation 2018 says that the information provided to people about how we process their personal data must be concise, transparent, intelligible and easily accessible, written in clear and plain language, particularly if addressed to a child and free of charge.

As a local authority Cleator Moor Town Council has a number of procedures in place to ensure that it complies with The Data Protection Act 1998 and the General Data Protection Regulation 2018 when holding personal information.

The Town Clerk will be responsible for the general administration of data protection and also privacy and compliance of this policy. The Town Clerk will manage data protection issues on a operational day to day basis. Cleator Moor Town Council as a corporate body will take overall responsibility for Data Protection.

Data can be defined as an e-mail address, postal address, contact telephone number, photograph or anything that can identify a living individual.

DATA PROTECTION OBJECTIVES

When dealing with personal data, Cleator Moor Town Council staff and Councillors must ensure that:

- **IT IS PROCESSED FAIRLY AND LAWFULLY** This means that information should only be collected from individuals if staff and Councillors have been open and honest about why they want the information.
- **IT IS PROCESSED FOR SPECIFIED PURPOSES ONLY**
- **IT IS RELEVANT TO WHAT IT IS NEEDED FOR** Data will be monitored so that too much or too little is not kept; only data that is needed should be held.

- **IT IS ACCURATE AND KEPT UP TO DATE** Personal data should be accurate, if it is not it should be corrected.

- **IT IS NOT KEPT LONGER THAN IT IS NEEDED**

COLLECTING DATA

Cleator Moor Town Council recognises its responsibility to be open with people when taking personal details from them. This means that staff must be honest about why they want a particular piece of information. If, for example, a member of the public gives their phone number to staff or a member of Cleator Moor Town Council, this will only be used for the purpose it has been given and will not be disclosed to anyone else. Data may be collected via the Parish Council's website via the 'Contact Us' form. The contact us webpage contains a policy statement about how the data will be stored and used. Parental consent will be required if data relating to children and young people under the age of 18 is to be collected.

Once data is not needed anymore, if it is out of date or has served its use, it will be shredded or deleted from the computer.

The Parish Council is aware that people have the right to access any information that is held about them. If a person requests to see any data that is being held about them,

DISCLOSURE OF INFORMATION

If an elected member of the council, for example a councillor needs to access information to help carry out their duties, this is acceptable. They are only able to access as much information as necessary and it should only be used for that specific purpose. If for instance someone has made a complaint about over hanging bushes in

a garden, a councillor may access an address and telephone number of the person who has made the complaint so they can help with the enquiry. They can only do this providing they represent the area that the subject lives in. However, before they access any sensitive information about a person, they would need consent to do this from the Parish Clerk. Data should never be used for political reasons unless the data subjects have consented.

CONFIDENTIALITY

Cleator Moor Town Council staff must be aware that when complaints or queries are made, they must remain confidential unless the subject gives permission otherwise. When handling personal data, this must also remain confidential. If a data breach is identified the ICO must be informed within 72 hours and an investigation will be conducted.

This policy will be reviewed annually, in addition to a review of the data protection objectives and an annual review of the compliance and effectiveness of the policy.
